NATORIA LOCKLEAR FINDS SUCCESS
(and so can you)

As part of its on-going commitment to student success, the College and Career Readiness Division of Robeson Community College provides educational and career opportunities for students that will positively impact their lives. Such was the case for Ms. Natoria Locklear.

After reaching her decision to continue her education, Natoria Locklear enrolled in, attended, and completed the High School Equivalency Diploma Program that Robeson Community College offers at the Red Hill Site in Maxton, NC. She accomplished this while being the mother of two children and working at Golden Corral.

Mrs. Loretta Smith, Natoria’s instructor at the Red Hill Site says that Natoria is a wonderful example of what determination and commitment will do. Natoria not only graduated with her High School Equivalency Diploma, but went on to enroll in Curriculum classes at Robeson Community College. She is currently pursuing her Licensed Practical Nursing (LPN) Diploma.

Author George Eliot wrote, “It is never too late to be what you might have been.” Natoria’s story is a great example. If you have goals, dreams, or desires to change your life, completing your education is the key to doing so. Please visit our website www.robeson.edu and click on the Adult Basic Skills tab to find a program to meet your needs. You may also call the College and Career Readiness Division at (910) 272-3607 where we focus on your success.

PROJECT SEARCH

The primary objective of PROJECT SEARCH is to secure meaningful, competitive employment for adults with disabilities. Over the past four years, PROJECT SEARCH has produced an impressive record for job preparation and job placement.

If you know someone that would benefit from a program such as this, please visit https://www.robeson.edu/abet/ or call the College and Career Readiness Division at (910) 272-3607 where we focus on student success.

If you know these people, ask them what they think about PROJECT SEARCH!

BUILD A BRIDGE BETWEEN YOURSELF AND EMPLOYERS WITH THE NATIONAL CAREER READINESS CERTIFICATION (NCRC)
The National Career Readiness Certification (NCRC) certifies that job seekers have the core employability skills required across multiple industries and occupations. It is a portable credential that promotes career development and skill attainment for the individual, and confirms to employers that an individual possesses basic workplace skills in reading, math, and locating information—skills that all jobs require. The three WORKKEYS ASSESSMENTS that make up the NCRC are Applied Mathematics, Workplace Documents, and Workplace Graphic Literacy. Certificates are awarded on four levels: Bronze, Silver, Gold, and Platinum.

WORKKEYS ASSESSMENTS
WorkKeys is a job skills assessment system measuring “real world” skills that employers believe are critical to job success. When you use WorkKeys to show you are ready for work, you have an advantage with employers who accept or require job applicants to have WorkKeys scores. Each WorkKeys assessment has a score level range which is usually 3 to 7. Scores indicate an individual’s ability to perform more complex skills as the score...
level increases. *For test dates & times call 910-272-3604 or 272-3671.* Assessment fees are $13.00 per test, with the exception of Applied Technology. The Applied Technology assessment is $15.00. Please bring correct change. **HELP IMPROVE YOUR TEST SCORES BY VISITING OUR KEYS 2 JOB SUCCESS LAB LISTED BELOW.**

### KEYS 2 JOB SUCCESS LAB

This employability lab is YOUR next level in career readiness preparation. Students are provided assistance with practice tests for the WorkKeys Assessment, soft skills, financial literacy, career exploration, interviewing, resume writing, interest surveys, and job search. It’s a powerful way to build self-esteem, obtain real credentials, and be set up for success. **This class is multi-entry and multi-exit** so you may enter and exit at any time. Also, you do not have to be in the class for the entire day. You stay only for the amount of time that fits your schedule. **NO FEE** for individuals meeting eligibility criteria. For information, call (910) 272-3604 or (910) 272-3671.
